## **AGENDA**

### **Sussex County Community College**

\*Training will take place in the L building on the first floor. Room L121.  
The most convenient parking is located in Lot 5

Christopher Benson will lead everyone through data quality reports, identifying errors, and doing updates to clean up the data before we submit all of the 2020 data reports for the CoC.

### **All Agencies Prior to Training:**

- Clean up Data
- Run data quality report or APR reports
- Check residential units and bed inventories
- bring any specific questions you might have

Jay Everett and Nadine Azari from Monarch Housing Associates, will also give a 30min presentation on filling out the Prioritization tool as a group to go over common errors that are made when filling it out.
